

## New After-Hours Care Service Just for You

When you call us after hours, you deserve the same effective, expert care that you receive when we're open. That's why we offer access to the same quality care from the comfort of your home, after hours and on weekends. Here's what you need to know:

### The Why:

To ensure you receive the same high-quality care no matter the time of day, our expanded patient services include after-hours telephone nurse triage services.

### What Does This Mean For Me:

Our clinical nurse staff will handle your care needs after-hours and on weekends. When you call after hours and on weekends, you'll speak with a qualified nurse who will quickly and efficiently handle the care process over the phone by assessing your symptoms and determine the best care option for you. Please know, Our nurse staff works closely with our physicians to update them with your patient information during office hours.

### How It Works:

Simply call our facility office number to receive care after hours.
